All articles left after camp will be donated to charity, so mark well and be sure to check before leaving!

• **DO NOT BRING the following to camp:** Shaving cream unless used for shaving legs or face, water balloons, skate boards, musical instruments, firearms, alcohol/tobacco products, **cell phones**, any electronic devices, fireworks, magazines, inappropriate t-shirts, food products, sodas or sports drinks, weapons, jewelry or any valuables.

Staff and Counselors will be asking at check-in if any of these items were packed. If any of these items are found during camp, they will be held with the Camp Director until the closing of camp.

• Be sure to bring tennis shoes and socks for athletic events. Also, the medical staff requires footwear to be worn in the lake during canoeing activities. Therefore, old tennis shoes, water shoes, or crocks are recommended. **Flip-flops are NOT acceptable lake shoes.**

• **NOTE** --Light laundry will be done for each cabin during the session, if needed.

• We cannot predict the weather during the night, there is a chance it could get chilly at night and early mornings.

• **In years past some campers brought nice clothes to camp for the annual Dance. This is a special event at the end of the session; however, please use good judgment regarding the quality of articles chosen because proper storage cannot be assured. Please do not bring articles of exceptional value.**

• Packages and letters may be sent - please keep to sending **only** sugar free products.
