-) **DO NOT BRING the following to camp:** Shaving cream unless used for shaving legs or face, water balloons, skateboards, musical instruments, firearms, alcohol/tobacco products, any electronic devices, fireworks, magazines, inappropriate t-shirts, weapons, any valuables.
-) Be sure to bring tennis shoes and socks for athletic events. Also, the medical staff requires footwear to be worn in the lake during canoeing activities. Therefore, old tennis shoes, water shoes, or crocks are recommended. **Flip-flops are NOT acceptable lake shoes.**
-) **NOTE:** Light laundry will be done for each cabin during the session, if needed.
-) We cannot predict the weather during the night, there is a chance it could get chilly at night and early mornings.
-) In years past some campers brought nice clothes to camp for the annual Dance. This is a special event at the end of the session; however, please use good judgment regarding the quality of articles chosen because proper storage cannot be assured. Please do not bring articles of exceptional value.
-) Packages and letters may be sent – please keep to sending **only sugar free** products.
